State Information

Non-US citizens have a few ways to qualify for Colorado in-state tuition rates at public institutions and/or meet residency requirements for state financial aid programs at participating schools. One way is through Senate Bill 13-033. To meet the conditions of Senate Bill 13-033, students must:

- Graduate from a Colorado high school with a diploma, earn a GED, or earn a diploma equivalent.
- Attend a Colorado high school for at least three years immediately before the date they earn a high school diploma (GED), or equivalent.
- Apply for the College Opportunity Fund and complete the associated Affidavit.

Please answer the following questions related to your residency status:

It is important to note that the information provided does not reflect the full scope of Senate Bill 13-033 and its requirements for residency status.

Certification Regarding Permanent Residency Application and Related Responsibilities

In addition to residency requirements, Senate Bill 13-033 requires you to certify lawful residency.

Además de los requisitos de residencia, el proyecto de ley 13-033 del Senado requiere que certifique su residencia legal.

☐ I certify that I have applied for lawful presence in the United States OR I will apply for lawful presence in the United States as soon as I am able to do so. Certifico que he solicitado mi presencia legal en los Estados Unidos OR solicitaré mi presencia legal en los Estados Unidos tan pronto como me sea posible.
9. Add information about your educational plans. This will help the Office of Financial Aid determine for which aid you are eligible.
10. In this screen, the portal will determine whether you are a dependent or independent student.
11. If you are determined to be dependent, then you will be asked to provide parent information. If you choose “I will not be able to provide parent information”, the MSU’s Financial Aid Office will most likely follow up with you and potentially ask for additional information.

The questions that determine dependency are:

Do you have children who will receive more than half of their support from you between July 1, 2021 and June 30, 2022?
¿Tiene hijos que recibirán más de la mitad de la ayuda de su parte entre el 1.° de julio de 2021 y el 30 de junio de 2022?  Yes  No

Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2022?
¿Tiene personas a cargo (además de sus hijos o su cónyuge) que vivan con usted y a los que les entregará más de la mitad de la ayuda desde ahora y hasta el 30 de junio de 2022?  Yes
Are you currently serving on active duty in the U.S. Armed Forces or are a National Guard or Reserves enlistee called into federal active duty for purposes other than training?
En este momento, ¿presta servicio activo en las Fuerzas Armadas de los EE. UU. o está alistado en la Guardia Nacional o en la Reserva y presta servicio activo con fines ajenos al entrenamiento?

Answer "Yes" if you are currently serving in the U.S. Armed Forces or are a National Guard or Reserves enlistee who is on active duty for other than state or training purposes.

Answer “No” if you are a National Guard or Reserves enlistee who is on active duty for state or training purposes or if you are not currently serving in the military.

Are you a veteran of the U.S. Armed Forces?
¿Es veterano de las Fuerzas Armadas de los EE. UU.?

Answer “Yes” (you are a veteran) if you (1) have engaged in active duty (including basic training) in the U.S. Armed Forces, or are a National Guard or Reserves enlistee who was called to active duty for other than state or training purposes, or were a cadet or midshipman at one of the service academies, and (2) were released under a condition other than dishonorable. Also answer “Yes” if you are not a veteran now but will be one by June 30, 2022.

Answer “No” (you are not a veteran) if you (1) have never engaged in active duty (including basic training) in the U.S. Armed Forces, (2) are currently an ROTC student or a cadet or midshipman at a service academy, (3) are a National Guard or Reserves enlistee activated only for state or training purposes, or (4) were engaged in active duty in the U.S. Armed Forces but released under dishonorable conditions.

Also answer “No” if you are currently serving in the U.S. Armed Forces and will continue to serve through June 30, 2022.
At any time since you turned age 13, were both of your parents deceased, or were you in foster care or were you a dependent or ward of the court?
En algún momento desde que cumplió 13 años, ¿fallecieron sus padres, permaneció en un hogar de acogida temporal o era dependiente o estaba bajo la custodia de un tribunal?

Answer “Yes” if at any time since you turned age 13:

- You had no living parent, even if you are now adopted; or
- You were in foster care, even if you are no longer in foster care today; or
- You were a dependent or ward of the court, even if you are no longer a dependent or ward of the court today. For federal student aid purposes, someone who is incarcerated is not considered a ward of the court.

The financial aid administrator at your school may require you to provide proof that you were in foster care or a dependent or ward of the court.

Are you now or were you an emancipated minor (released from control by his or her parent or guardian) as determined by a court in your state of legal residence?
Según la determinación de un tribunal ubicado en su estado de residencia legal, ¿es o era menor de edad emancipado (es decir, sin el control de su padre, madre o tutor)?

The definition of legal guardianship does not include your parents, even if they were appointed by a court to be your guardians. You are also not considered a legal guardian of yourself. Answer “Yes” if you can provide a copy of a court’s decision that as of today you are an emancipated minor or are in legal guardianship. Also answer “Yes” if you can provide a copy of a court’s decision that you are an emancipated minor or were in legal guardianship immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court’s decision was issued. Answer
“No” if you are still a minor and the court decision is no longer in effect or the court decision was not in effect at the time you became an adult. Also answer “No” and contact your school if custody was awarded by the courts and the court papers say “custody” (not “guardianship”). The financial aid administrator at your college may require you to provide proof that you were an emancipated minor or in legal guardianship.

Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?

Según la determinación de un tribunal ubicado en el estado en el que reside legalmente, ¿otra persona que no sea su padre, madre, padrastro o madrastra está a cargo de su tutela legal?

Yes No

En la definición de tutela legal, no se incluye a sus padres, aunque un tribunal los haya designado como sus tutores. Tampoco se lo considera tutor legal de sí mismo. Responda "Sí" si puede proporcionar una copia de la decisión del tribunal de que, a partir de hoy, es un menor emancipado o está bajo tutela legal. También responda "Sí" si puede proporcionar una copia de la decisión del tribunal de que era un menor emancipado o estaba bajo tutela legal inmediatamente antes de llegar a la adultez en su estado. El tribunal debe estar ubicado en su estado de residencia legal en el momento en que se emitió la decisión del tribunal. Responda "No" si todavía es menor de edad y la decisión del tribunal ya no tiene vigencia o si
la decisión del tribunal no estaba en vigencia en el momento en que se convirtió en adulto. También responda "No" y comuníquese con su escuela si los tribunales estuvieron a cargo de la custodia y en los documentos del tribunal dice “custodia” y no “tutela”. El administrador de ayuda financiera de su facultad puede exigirle que presente pruebas de que era un menor emancipado o que estaba bajo tutela legal.

At any time on or after July 1, 2020, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless or was self-supporting and at risk of being homeless?

En cualquier momento o con posterioridad al 1.° de julio de 2020, ¿determinó el contacto para jóvenes sin hogar de su distrito escolar o escuela secundaria que usted era un joven sin compañía en situación de calle o que se mantenía a sí mismo y que se encontraba en riesgo de quedar en situación de calle?  

- Yes  
- No

Answer “Yes” if you received a determination at any time on or after July 1, 2020, that you were an unaccompanied youth who was homeless or at risk of being homeless.

- “Homeless” means lacking fixed, regular and adequate housing. You may be homeless if you are living in shelters, parks, motels or cars, or are temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent you may be considered homeless even if your parent would provide support and a place to live.
- “Unaccompanied” means you are not living in the physical custody of your parent or guardian.
- “Youth” means you are 21 years of age or younger or you are still enrolled in high school as of the day you sign this application.

Answer “No” if you are not homeless or at risk of being homeless, or do not have a determination. You should contact your college financial aid office for assistance if you do not have a determination but believe you are an unaccompanied youth who is homeless or are an unaccompanied youth providing for your own living expenses who is at risk of being homeless. The financial aid administrator at your college may require you to provide a copy of the determination if you answered “Yes” to any of these questions.

Por “situación de calle”, nos referimos a la falta de una vivienda fija, normal y adecuada. Puede estar en situación de calle si vive en refugios, parques, moteles o autos, o vive temporalmente con otras personas por no tener otro lugar a donde ir. Además, si experimenta alguna de estas situaciones y huye de los maltratos de su padre o madre, se lo puede considerar en situación de calle, incluso si su padre o madre pueden brindarle ayuda y un lugar para vivir. Por "sin compañía", nos referimos al hecho de no vivir bajo la custodia física de un padre o tutor. Por "joven", nos referimos al hecho de ser menor de 21 años o estar inscrito todavía en la escuela secundaria al momento de firmar esta solicitud. Responda "No" si no está en situación de calle ni corre el riesgo de estarlo, o si no tiene una determinación al respecto. Debe ponerse en contacto con la oficina de ayuda económica de su facultad para obtener asistencia en caso de que no se haya determinado nada al respecto, pero se considera un joven sin compañía en situación de calle o que se hace cargo de sus propios gastos y que corre el riesgo de quedar en situación de calle.
